HANDING ON THE TORCH Sacred words for a secular world

Course booklet written by Canon John Young

FIVE SESSIONS: A Christian Country? A Secular Society? A Beleaguered Church? Competing Creeds? Handing on the Torch

Christianity is the largest movement our world has ever seen. It continues to grow at an immense pace – especially in Asia (including China), Africa and Latin America. At the same time, Christianity in the West struggles to grow and – perhaps – even to survive. In this course we consider some of the reasons for this and what it might mean for individual Christians, for churches and for Western culture, in a world where alternative beliefs are increasingly on offer.

With **Archbishop Sentamu, Clifford Longley, Rachel Lampard.**

Introduced by **Dr David Hope.** *Closing Reflections* by **Bishop Graham Cray.**

Each group needs 1 CD or audiotape, plus a course booklet for each member. In addition many groups find the transcript booklet extremely helpful. The **COURSE BOOKLET** has five chapters, each with questions aimed at provoking wide-ranging discussion. The **COURSE CD** (or audiotape) consists of five sessions of approximately 14 minutes each, in the style of a radio programme, during which each participant contributes. The words as spoken on the CD/audiotape for the course are set out in the **TRANSCRIPT** – ideal for group leaders when preparing. It also cross-references with the track numbers on the CD – making it simple to find the start of each new question put to the participants.

RICH INHERITANCE Jesus' legacy of love

Course booklet written by **Bishop Stephen Cottrell**

FIVE SESSIONS: An empty tomb; A group of people; A story; A power; A meal

Jesus left no written instructions. He didn't seem to have a plan. At the end, as he hung dying on the cross, almost all of his followers had abandoned him. By most worldly estimates his ministry was a failure. Nevertheless, Jesus' message of reconciliation with God lives on. With this good news his disciples changed the world. How did they do it? What else did Jesus leave behind – what is his 'legacy of love'?

with **Archbishop Vincent Nichols, Paula Gooder, Jim Wallis.** Introduced by **Dr David Hope.** *Closing Reflections* by **Inderjit Bhogal.**
