ABOUT...

Living in the light

Witnesses to a single event often give contrasting reports. When the event is God's coming to this world as a child, it is not just fascinating, it is highly instructive. It opens our eyes not only to what God is like, but to how life can be lived to the full. This course explores the 'reports' of Luke, John, Mary and Paul. In doing so it engages with the distinctive nature of Christian spirituality and how we can give expression to it in our lives, thus living in the light of Christ's coming.

Why do a discussion course ?

1. Because it's good to discuss issues of faith, doubt, morality... especially if others take a different view. It's just good to talk - and to share!
2. Because discussing important issues with fellow Christians helps you grow, both as a person and in faith. And swapping ideas can be very creative.
3. Because there are always new things to learn, however long you've been a Christian.
4. Because it's a great opportunity to get together with other believers - perhaps from other congregations and denominations.

LIVING IN THE LIGHT

THE COURSE BOOKLET: written by Canon Robert Warren. Group members will benefit from having their own copy. All four sessions end with a range of questions designed to stimulate lively group discussion.

THE CD: a relaxed conversation between **Robert Warren** and **Simon Stanley**, exploring and expanding on topics raised in

the course booklet, with contributions from churchgoers of different denominations.

THE TRANSCRIPT: an easy-to-follow record of what's said on the CD. Invaluable for leaders as they prepare, and helpful for group members to feel more confident about joining in, to catch up on missed sessions and reflect at leisure on the recorded material.

Living in the light – 4 sessions

- 1 Luke's reporting of the coming of Christ
- 2 John's reflections on the coming of Christ
