**Why do a York Course?**

**Here's why five out of tens of thousands of group members chose a York Course:**

- “Many, many thanks for producing such stimulating courses. They make the task of Group Leader the easiest that I have found in more than fifty years of leading adult groups.”
- “We're really pleased with the course ... as everyone got a lot out of the session. We couldn't get them to go home!”
- “Our group found the course stimulating and provocative ... plenty for discussion in the questions posed at the end of each session ... Excellent material for further use.”
- “The speakers were wonderful with their different views, sharing their personal experiences with us. It made the group open up to very interesting discussions - we loved the way we had the CD to listen to, and the booklet, which contained many powerful readings... We hope many ideas put forward by the course will be able to be taken forward.”
- “It's brought us together as a church with other folk coming in as well. It's been brilliant.”

# RICH INHERITANCE

## Jesus' legacy of love

Jesus didn't write a will. He left no written instructions. He didn't seem to have a plan. At the end, as he hung dying on the cross, almost all of his followers had abandoned him. By most worldly estimates his ministry was a failure. Nevertheless, Jesus' message of reconciliation with God lived on. It is the central message of the Bible. With this good news his disciples changed the world. How did they do it? What else did Jesus leave behind – what is his 'legacy of love'? This course addresses these questions.

- Session 1 – An empty tomb
- Session 2 – A group of people
- Session 3 – A story
- Session 4 – A power
- Session 5 – A meal

**THE COURSE BOOKLET** is written by best-selling author, Bishop Stephen Cottrell. Each of the five sessions ends with questions designed to stimulate lively group discussion. Ideally each group member should have a personal copy.

**THE CD AND AUDIOTAPE** contain five 14-minute radio-style starters for group discussion, with Simon Stanley putting questions to the participants – Archbishop Vincent Nichols, Paula Gooder and Jim Wallis. Each of the five sessions closes with a reflection by Methodist minister, Inderjit Bhogal. Former Archbishop of York, Dr David Hope, introduces the course.

**THE COURSE TRANSCRIPT** provides a complete record of the 'conversation' between the presenter and participants on the CD/audiotape. In an easy-to-follow format, the transcript booklet cross-references with the track numbers on the CD making it simple to find the start of each new question posed to the participants. The transcript is especially useful for group leaders as they prepare. It can also help group members feel more confident about joining in the discussion – and enables them to go over the recorded material at leisure.
